

PROGRAM OVERVIEW

Quilters and embroiderers of all skill levels will benefit from this OESD Quilt Block of the Month (QBOM) curriculum. During the QBOM classes, you will share valuable embroidery tips and techniques to make your customers' embroidered quilts successful and fun!

QUILT BLOCK OF THE MONTH AT A GLANCE:

- Quilt Block of the Month Curriculum broken up into (13) 2-3-hour classes
- Present however works best for your store: hands on, or lecture demo
- Designed to help with embroidery skill-building so your customers' embroidery skills progress each month
- Each class focuses on new stabilizers and tools, providing you with the opportunity to sell additional product

OESD's "My Happy Place" was designed to maximize sales opportunities. During the 13 classes, you can showcase OESD SPREE Stitches Club, OESD Stabilizers and Accessories, machine accessories and embroidery hoops, all while creating opportunities for you to sell embroidery machines.

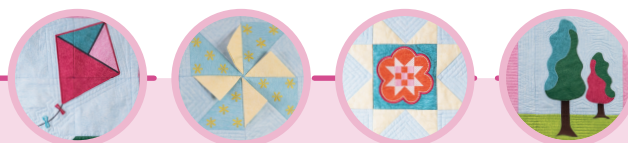

The "My Happy Place" Instructor Resource Binder will be shipped to each participating shop and will include printed instructions as well as a USB containing the following:

- Marketing materials
- Multi-formatted designs
- PowerPoint for each class
- Step by Step Instructions for each class
